Message from the president

As 2009 comes to an end, I would like to thank all officers, board members and members for their hard work and participation. You made 2009 another outstanding year for the Raleigh Claims Association. We appreciate all of the speakers and presenters who donated their time to provide our membership with quality information concerning our industry at our business meetings and continuing education programs this past year. Most importantly, a special thanks goes to our sponsors. Without our sponsors, we would not be able to provide our members the educational opportunities and social activities that are a tradition of the Raleigh Claims Association.

Despite our many successes, we need to continue to foster the growth of our Association. We encourage members to actively participate, recruit, and provide new ideas that will strengthen our organization.

I've thoroughly enjoyed working with all of you. It was honor to serve as your president in 2009.

Happy Holidays. All the best to you in 2010!

Jeff Austin
President
